FOREWORD

Please enjoy reading your copy of the Register of Thoroughbred Stallions of New Zealand 2019, the 46th volume published by the New Zealand Thoroughbred Breeders Association.

As with any publication of this nature a lot of time and effort has gone into compiling it and there are numerous people we need to thank for bringing it together. These include NZTBA staff, Arion Pedigrees, NZTR and Professional Printing and Systems. Thanks also to all the stud farms and stallion owners for their continued support of this important Industry publication.

It is fair to say the next few years are crucial for our Industry's health and long term viability as a number of reforms recommended by the Rt. Hon. Winston Peters' commissioned Messara Report to revitalise our racing and breeding Industries are put in place. It is a very important time for us all and it should not be overlooked that a vibrant racing and breeding industry will have favourable impacts on the overall New Zealand economy.

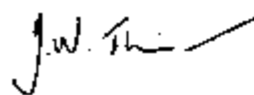

From a breeding perspective the next few years will also be crucial. We are in the fortunate position of having a number of young well credentialed Group One performing stallions available to breeders. The majority of these will have progeny arriving on the racetracks of Australasia over

the next few seasons and we will watch with a mixture of nerves and excitement as these young horses strive to keep New Zealand to the forefront of international breeding and racing.

So far in the 2018-19 racing year New Zealand bred horses have had another good season with no less than eight individual group one winners in Australia, while Beauty Generation reigns supreme in Hong Kong.

It is encouraging to see another eleven well credentialed young stallions added to our register this season and we look forward to viewing these horses on our annual branch Stud tours. The matings we plan this spring will produce our future champions so I hope our register provides some assistance with achieving those goals.

The NZTBA staff and council continue to work on behalf of breeders on a range of initiatives and I would like to thank them and our many branch volunteers for their contribution and wish all breeders good luck for the coming season.

CHAMPION SIRE 2017-18 SAVABEEL (Zabeel – Savannah Success)

The 2017-18 season saw the Waikato Stud based stallion, the mighty Savabeel add another five individual Group One winners to his tally bringing his total at the end of 2017-18 season to 17.

Those winners saw him claim his fourth consecutive Champion Sires Premiership in New Zealand (Grosvenor Award), and fourth Champion Sire Premiership for combined earnings in Australia and New Zealand (Dewar Award) and his third consecutive Centaine Award for worldwide earnings.

In the 2017-18 season under review the Group One performing son of the Champion sire Zabeel, and grandson of Sir Tristram, left 16 stakes winners, nine of them new, and 32 stakes performers leaving a total of 75 stakes winners as at 31 July 2018.

In New Zealand, he sired the three-year-old classic double, of the 2000 and 1000 Guineas, with Embellish (ex Bling) representing the colts and geldings and Hasahalo (ex Halloween) the fillies. In the autumn Savvy Coup (ex Eudora) added the Group One New Zealand Oaks to make it a stellar year for his three-year-olds and ensuring him the title of leading sire of three-year-olds with earnings of around \$1.4 million.

Savabeel is consistently one of the most versatile stallions in the Southern Hemisphere leaving sprinters and stayers from two-year-olds through to older horses. His other headline performers for the 2017-18 season were Kawi (ex Magic Time) the Champion Sprinter/Miler of 2017-18, Shillelagh (ex Troicar) winner of the VRC Cantala Stakes (1600M) and Sword Of Osman (ex Bunyah[IRE]) winner of the ARC Sistema Diamond Stakes.

**CHAMPION BROODMARE 2017-18
BAGALOLLIES (Zabeel – Lady’s Knight [CAN])**

The Broodmare of the Year award is given to the mare whose New Zealand-bred and/or New Zealand-conceived progeny, anywhere in the world, in the season under review, most clearly reflects true breeding merit in quality of racing performance.

Bagalollies is the dam of the siblings Werther, Gobstopper and Milsean, by Tavistock, and is owned by Chris Allison, Chris and John Barnao, Andrew Campbell, Tommy Hepinstall, Tom Pivac and David Platt, friends who got together to race a few horses around 12 years ago.

One of those horses was the multiple Group One winner Tavistock with Bagalollies being one of the mares they invested in to send to him. What a result the mating has produced.

In the 2017-18 season, Werther a former Hong Kong Horse of the Year, won the Group Two HKJC Jockey Club Cup, and placed second in the Group One Hong Kong Cup, Hong Kong Gold Cup, Group One Takarazuka Kinen in Japan, third in the Gr.1 Stewards’ Cup. Gobstopper won three races including the Group Three New Zealand Cup and Milsean who won one race and was group placed in her other four starts in the season, including a second in the Group Three Lowland Stakes, and third in the Group One New Zealand Oaks, Group Two Sir Tristram Classic, and the Group Three Desert Gold Stakes.

Bagalollies is out of the Canadian mare Lady’s Knight (by Ascot Knight[CAN]) who is a half-sister to Northern Hillite, a stakes winner in Canada, and both are from a well-related American mare in Night Stand (USA)(Flourescent Light[USA]-Take A Stand[USA]).

**BREEDER OF THE YEAR 2017-18
GARRY CHITTICK AND WAIKATO STUD**

As the record-breaking recipient of six New Zealand Thoroughbred Breeders’ Association Breeder of the Year awards, Garry Chittick and Waikato Stud have a long-standing reputation as one of the world’s most successful studs.

Waikato Stud has been breeding elite equine athletes from its 688-hectare farm in Matamata for more than 50 years. Since the arrival of Garry and Mary Chittick in 1993, the stud has nurtured an exceptional stallion roster including sensations such as Centaine (AUS), O’Reilly, Pins (AUS) and current four-time Champion New Zealand sire Savabeel (AUS).

These stallions have greatly attributed to Waikato Stud’s achievements as one of New Zealand’s most successful thoroughbred breeding establishments, under the leadership of astute horseman Garry Chittick. Today, the stud is owned and operated by Garry’s son Mark and his wife Pippa, who lead a team

of 45 experts dedicated to producing top racehorses.

Waikato Stud is one of the leading producers of Group One winners in the country – having bred 39 Group One winners of 75 Group One races – but Waikato Stud’s legacy of excellence isn’t down to chance. It’s a combination of elements including the terroir, tried-and-true natural rearing principles and skilled management integral in creating champions.

From the moment the breeding process begins through to when a horse leaves their property and goes on to win at the racetrack, there’s a million things that go into the breeding process. For the Chittick family’s Waikato Stud, breeding is a passion, and they are extremely proud to have been awarded the title of Breeder of the Year in 2017-18 for the sixth time.

FERTILITY OF STALLIONS 2016/17 SEASON (10 or more mares covered)

The following statistics relate to sires which have been returned as having covered in 2016 ten or more mares either entered, or eligible for entry in the New Zealand Stud Book or Register of Non-Stud Book mares. These figures have been updated with the returns filed to 13th May 2019 and may therefore differ from tables previously published (foals born 2017). The fertility percentage in the last column is derived as follows:

Live Foals + Foals dead & slipped x 100

Mares covered – mares exported, not returned, dead & indeterminate results

An indeterminate result exists where a mare was covered by more than one stallion and the results of these services are unable to be accurately credited to either stallion.

Full covering and progeny details for individual stallions are updated daily can be accessed on the NZTR website.
